REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year at Hanahan Middle School was a very successful year. HMS was named a National Blue Ribbon Lighthouse School award winner. Learning remains our top priority, as reflected in our PACT scores. The HMS faculty and staff work closely with the community, parents, and businesses to provide students with every opportunity to learn and to succeed. HMS increased Accelerated Reader points status, and the Books Rock Café continues as a successful reading incentive for students, faculty, and visitors. HMS experienced a successful Making Middle Grades Work (MMGW) - Technical Assistance Visit during the spring semester. Making Middle Grades Work is a district-wide initiative that provides a comprehensive improvement framework focusing on ten key practices to improve student success. As always, HMS continues to stress academic excellence as we "Soar to Success."

Our students' academic achievements continue to be among the best in the state. HMS PACT scores were among the highest of any middle school in Berkeley County. HMS is proud of our 15 National Junior scholars; the 154 band award recipients; 100% student participation in school Service Learning projects; first place in the Junior Beta Club Public Speaking at the state level; and the 22 chorus award recipients. In addition, the HMS band was awarded the State Band Directors' OPA (Outstanding Performance Award) for the twenty-third time.

125 HMS students took at least one of four credit courses, English 1, Spanish 1, Algebra 1, or Keyboarding, for high school credit. STEMS, an ELA program that studies Latin roots, continues to help HMS students increase their PACT scores. HMS stresses reading and writing across the curriculum, with monthly bulletin boards, a Principal's Pick display, the Writing Stick competition among grade levels, and faculty writings. SmartBoards were installed in all core subject classrooms and will be installed in all special-area classrooms by December, 2008. SPAWAR continues their services through the Lunch Buddy mentoring program, which has grown to over 90 participants. HAP (Homework Assistance Program) provided after-school help for over 100 students. MAP (Measures of Academic Progress) test scores were used to form RIT Band classes that met for 40 minutes weekly to address specific needs in Math and ELA. The HMS Student Council collected money for charities, and the SLEUTHS spearheaded many student service learning projects.

Carli Manchester, 7th grade Math teacher, was honored as the 2007-2008 HMS Teacher of the Year. We currently have five National Board Certified teachers, Sandi Parker, Karen Cowell, Joy Kirk, Kacy Holland, and Gigi Friend, and four more are applying, further validating that excellence and dedication continue to be the standards at HMS.
